Dear Parents,

The Department of Education (DepEd) has started implementing the K to 12 curriculum since SY 2012 – 2013. It aims to enhance the Filipino students’ basic education. In line with this, the DepEd issued a memorandum, DepEd Order No. 22, s. 2012 (Adoption of the Unique Learner Reference Number - LRN), wherein each student will get their own reference number that will be used until tertiary education.

In compliance with this memo, the school would like to get the following information which will be used to get the LRN.

Truly yours,

MS. JOY M. DUEÑAS
Registrar, High School Department

MS. JANE P. CHEN
Registrar, Elementary Department
